

Assessment Form¹

Artificial Intelligence

Bachelor's Project

WBAI901-15

Student: _____

Final grade:

Student number: _____

Date: _____

Titel of thesis: _____

Name of first supervisor :

Signature of first supervisor:

Name of second supervisor/ examiner :

Signature of second supervisor/ examiner:

Work process					
Assessment	Very good	Good	Adequate	Doubtful	Unsatisfactory
Effort in relation to difficulty of subject, enthusiasm					
Independence, initiative, result orientation					
Meets deadlines, keeps to agreements					
General assessment of process					
Comments					

Oral presentation (Bachelor's symposium)					
Assessment	Very good	Good	Adequate	Doubtful	Unsatisfactory
Quality of oral presentation					
Quality of answering questions					
General assessment presentation					
Comments					

¹ Please hand in this form at the Student Desk. It also acts as an exam slip.

Academic quality (research)					
Assessment	Very good	Good	Adequate	Doubtful	Unsatisfactory
Quality of research content (publishable, usable, contribution to current research)					
Technical quality (formalism, software, statistical analysis)
